Company Profile

The Reliance Group, founded by Dhirubhai H. Ambani (1932-2002), is India's largest private sector enterprise, with businesses in the energy and materials value chain. Group's annual revenues are in excess of USD 66 billion. The flagship company, Reliance Industries Limited, is a Fortune Global 500 company and is the largest private sector company in India.

Backward vertical integration has been the cornerstone of the evolution and growth of Reliance. Starting with textiles in the late seventies, Reliance pursued a strategy of backward vertical integration - in polyester, fibre intermediates, plastics, petrochemicals, petroleum refining and oil and gas exploration and production - to be fully integrated along the materials and energy value chain.

The Group's activities span exploration and production of oil and gas, petroleum refining and marketing, petrochemicals (polyester, fibre intermediates, plastics and chemicals), textiles, retail, infotel and special economic zones. Reliance enjoys global leadership in its businesses, being the largest polyester yarn and fibre producer in the world and among the top five to ten producers in the world in major petrochemical products.

Delegate Profile

Mr. Parimal Nathwani is the Group President(Corporate Affairs) of Reliance Industries Ltd. He has worked with Reliance Founder Chairman Shri Dhirubhai Ambani in the beginning of his career and at present finds a place in top echelon of RIL under chairmanship of Mr. Mukesh Ambani.

Mr. Parimal Nathwani is a Member of Rajya Sabha since 2008 and got elected for the 2nd term also in the year 2014. He has been Vice President of Dwarka Devasthan Samiti and a Member in Natdwara Temple Board since more than a decade. Mr. Nathwani has also been Vice President of Gujarat Cricket Association. As ardent lover of Wild Life, Mr. Nathwani has taken some meaningful initiatives to protect and conserve the world famous Asiatic Lions in Gir Forest, Gujarat. His book on Asiatic Lions of Gir, Gujarat is under print and publication. 'Jharkhand: Meri Karmabhoomi' a coffee table book in Hindi is Mr. Nathwani's report card of his term as a Rajya Sabha member. In nut-shell, Mr. Nathwani is a multi-faceted personality.

Full Name of Person	Mr. Rupinder Singh Sodhi
Company / Organization Name	Gujarat Co-operative Milk Marketing Federation Ltd. (Amul) (www.amul.com)
Designation	Managing Director
Address	Gujarat Cooperative Milk Marketing Federation, PO Box 10, Amul Dairy Road, Anand 388 001, Gujarat, India
Contact Details	sodhi@amul.coop / rssamul@yahoo.com

Company Profile

The Gujarat Cooperative Milk Marketing Federation Ltd, Anand (Amul) is the largest food products marketing organization of India and INR.11700 Crores (2.4 billion dollar) entity. It is the apex organization of the Dairy Cooperatives of Gujarat. Gujarat has been a pioneer in organizing dairy cooperatives and this success has not only been emulated in India but serves as a model for the rest of the World. Over the last six and a half decades, Dairy Cooperatives in Gujarat have created an economic network that links more than 3.2 million village milk producers with millions of consumers in India and abroad through a cooperative system that includes more than 16,117 Village Dairy Cooperative Societies (VDCS) at the village level, affiliated to 17 District Cooperative Milk Producers' Unions at the District level and GCMMF at the State level. These cooperatives collect on an average 111 million litres of milk per day from their producer members, more than 70% of whom are small, marginal farmers and landless laborers and include a sizeable population of tribal folk and people belonging to the scheduled castes.

Delegate Profile

Mr. R S Sodhi, Managing Director of Gujarat Cooperative Milk Marketing Federation Ltd., (GCMMF Ltd), Anand Gujarat, is the first-batch alumnus from Institute of Rural Management Anand (IRMA). Mr. Sodhi became the Managing Director of Amul India Ltd. in 2010, prior to which he served as Amul India's Chief General Manager from June 2004 to June 2010. He has been with the Gujarat Cooperative Milk Marketing Federation Ltd (GCMMF) for over 30 years. He played a pivotal role in creating the GCMMF structure and has rich experience in Marketing and Sales function within the dairy industry. He has been responsible for enabling the organization to retain its dominance in the Indian Dairy Industry. Mr. Sodhi has been instrumental in taking brand '**Amul**' to greater heights that it has scaled today. He has put in place key business processes which ensure smooth and seamlessly integrated functioning of a mega organization. Mr. Sodhi has also been a Non-Executive Nominee Director at Kaira Can Company Limited.

He has spoken at many International and national seminars, including events at Harvard Business School and Ismaili Economic Forum, Dubai. He has also been a guest faculty at ISB Hyderabad and IIM Ahmedabad.

Full Name of Person	Mr Nitin Shukla
Company / Organization Name	Hazira LNG Private Limited (www.haziralngandport.com)
Designation	Managing Director & CEO
Address	101-103, Abhijeet-II, Mithakali Circle, Ahmedabad – 380006
Contact Details	nitin.shukla@shell.com

Company Profile

The Hazira LNG Terminal and Port is partnered by Shell Gas B.V and Total Gaz Electricité Holdings France, representing two of the largest private LNG suppliers in the world. The Hazira Terminal includes a liquefied natural gas (LNG) storage and re-gasification terminal within a fully functional port. The INR 3,000 crore Hazira LNG Terminal and Port facilities, in Surat district of Gujarat, is regarded as a key Foreign Direct investment (FDI) project and represents one of the largest international investments in India in the energy sector.

The Hazira (Surat) Port is designed as a deep-water, all-weather and direct-berthing port. It is situated in the State of Gujarat on the West Coast of India, about 25km from Surat city and about 120 nautical miles north of Mumbai. The port is built with a protected harbour design, with additional waterfront for development of non-LNG cargo handling terminals. Hazira (Surat) Port has an approach channel of about 1000m, turning radius of 600m and dredged draft of 12.5m with a capacity to accommodate larger vessels using tidal variance.

The Hazira (Surat) Port is planned as a 'Gateway Port' to serve the hinterlands of North, West & Central India where the container traffic is expected to grow exponentially. The Hazira (Surat) Port also falls close to the planned Delhi Mumbai Industrial Corridor (DMIC) and the high-speed dual carriageway constructed under the Golden Quadrilateral Project.

Delegate Profile

Mr. Nitin Shukla is the Managing Director and Chief Executive Officer of Hazira LNG and Port Companies. Hazira LNG and Port Companies jointly consist of Hazira LNG Private Limited, Hazira Port Private Limited and Hazira Gas Private Limited. Each of the Hazira LNG, Port and Gas Companies is a joint venture between Shell Gas B.V (Royal Dutch Shell Group) and Total Gaz Electricité Holdings France. All these are Shell operated companies.

Mr. Shukla holds a degree in Mechanical Engineering and Post Graduate Certificate in Industrial Purchasing & Materials Management. Prior to joining Shell, Mr. Shukla was the Managing Director of Gujarat PowerGen Energy Corporation Limited (GPEC); Executive Director, Gujarat Torrent Energy Corporation Ltd. and General Manager (Projects) at Nirma Limited. He has been involved in a number of large and complex projects while working for India's largest engineering consultancy firm, Engineers India Limited.

Mr. Shukla is associated with Confederation of Indian Industry, Ahmedabad Management Association and various other social, educational and literary activities/ trusts, e.g., Gujarat Vishvakosh Trust and Darshak Itihas Nidhi. He is Fellow of The Institution of Engineers (India) as well as Fellow of The Chartered Institute of Logistics & Transport, India.

Full Name of Person	Mr.Shital Patwa
Company / Organization Name	Shah-Schulman Center for Surface Science and Nanotechnology, Dharmsinh Desai University (sccsn.ddu.ac.in)
Designation	Director - Administration & Industrial Liaison
Address	Shah-Schulman Center for Surface Science and Nanotechnology, DDU, College Road, Nadiad387001, Gujarat
Contact Details	shitalpatwa@yahoo.com

Company Profile

Shah-Schulman Center for Surface Science and Nanotechnology was established in April 2008 under a unique model: a partnership between University, Government and the Industry. The Shah-Schulman Center for Surface Science and Nanotechnology (SSCSSN) is established in the Faculty of Technology, Dharmsinh Desai University (DDU), Nadiad, Gujarat, India with initial funding from Industries & Mines Department, Government of Gujarat. Dharmsinh Desai University is one of the most reputed technology institutes in industrially affluent state of Gujarat in Western India. It has trained scientists and engineers to provide a leadership in academia and industry since 1968.

The SSCSSN is an R & D Center that accommodates about 18 sophisticated instruments to carry out research and analysis in Surface Science and Nanotechnology. There are 3 core faculties and 5 associated faculties and 8 research scholars involved in the functioning of R&D activities of the Center. SSCSSN is established on a truly joint partnership of academia, industry and government.

With inputs from industrial advisory board, comprising 25 industrial partners of diverse industrial background in short span of 5 years since its establishment, Center has earned 4 Government sponsored research projects and 4 Industry funded projects. SSCSSN has 6 registered PhD students and in past 4 years published more than 20 research publications in international peer reviewed journals, having average impact factor more than 2.50. SSCSSN has entered in to tri-partite agreement with University of Florida and Columbia University under the IUCRC program of National Science Foundation, USA. Dept. of Science & Technology-India will support this program in India. Under this program 25 companies have joined SSCSSN as Industry Advisory Board Members for Industry oriented research activities. SSCSSN-DDU is one of the first such partners from Gujarat to enter into this NSF sponsored International program.

Delegate Profile

Filling and Packaging equipment

Full Name of Person	Mr. Saurin Shah
Company / Organization Name	Adani Group (www.adani.com)
Designation	Joint President
Address	Adani Enterprises Ltd, Adani House, Nr Mithakhali Circle, Navrangpura, Ahmedabad 380 009, Gujarat
Contact Details	saurin.shah@adani.in

Company Profile

Adani Group is a business behemoth based in India having a global footprint with interests in Infrastructure, Power, Global Trading, Logistics, Energy, Port & SEZ, Mining, Oil & Gas, Agri Business, FMCG products, Real Estate Development, Bunkering, et al. It is a name well established among the distinguished corporate entities of India, with a young and highly motivated taskforce of professionals who are a prized asset of the organization.

Founded in 1988 with a capital of INR 500,000, Adani Enterprises Ltd. (formerly known as Adani Exports Ltd.) is today the flagship company of the Adani conglomerate which posted INR 260 billion revenue in the previous financial year. The Adani Group has many distinctions to its merit; Operator of the largest private port in India, Developer of the largest multiproduct SEZ in India, Owns the largest edible oil refining capacity in India, One of the largest trading houses in India, Largest Integrated Coal Management Firm in India, Promoter of India's first supercritical technology based power plant, Operator of the world's largest automated import Coal Terminal having 60 Million Tonne capacity, etc.

The Adani Group is engaged in a continuous endeavour to maximize the realization of potential in its employees and market opportunities by synergizing the multiple ventures of the Group; thus creating an optimum business model that benefits both, stakeholders and society.

Delegate Profile

Mr. Saurin Shah was born in a family of businessmen. After his graduation, he was inducted in the family business of plastics, textiles and textiles machinery and used this platform to sharpen his expertise. As a blessing in disguise, when the textiles industry in Gujarat, known as the Manchester of India, started to limp, he felt the need to explore new avenues of operation to brush up his business acumen. He joined Adani Exports in 1993, the then leading exporters of Agro Products and Textiles. It was a decisive turning point of the professional life of Mr. Shah.

He has helped the Group to make rapid strides in the core sectors like coal, power, ports, shipping, mines, SEZ etc. Mr. Shah is well versed with the nitty-gritty of international business and considered as an authority in conceptualizing new projects of the group and its successful conception. Mr. Shah, as the Head of Group Corporate Affairs, plays a pivotal role in formulating the policies of the Group and he ensures effective liaisoning with bureaucracy and political hierarchies for its expeditious implementation.

Mr. Shah has carved out a niche position in the corporate world by his exemplary performance and he is an inspirational force to colleagues.

Plastics, Energy & Machinery Manufacturing

Full Name of Person	Mr Philippe Tollini
Company / Organization Name	Larsen & Toubro (www.larsentoubro.com)
Designation	Director-Business Director (Europe & CIS Countries)
Address	LARSEN & TOUBRO Limited 17 rue Galilée 75016 Paris, France
Contact Details	philippe.tollini@larsentoubro.com

Company Profile

Larsen & Toubro Limited (L&T) is a technology, engineering, construction and manufacturing company. It is one of the largest and most respected companies in India's private sector. More than seven decades of a strong, customer-focused approach and the continuous quest for world-class quality have enabled it to attain and sustain leadership in all its major lines of business.

L&T has an international presence, with a global spread of offices. A thrust on international business has seen overseas earnings grow significantly. It continues to grow its global footprint, with offices and manufacturing facilities in multiple countries. The company's businesses are supported by a wide marketing and distribution network, and have established a reputation for strong customer support.

L&T believes that progress must be achieved in harmony with the environment. A commitment to community welfare and environmental protection are an integral part of the corporate vision. In response to changing market dynamics, L&T has gone through a phased process of redefining its organization model to facilitate growth through greater levels of empowerment. The new structure is built around multiple businesses that serve the needs of different industries :

Hydrocarbon	Railway Projects
Heavy Engineering	L&T Construction
Power	Electrical & Automation
Machinery & Industrial Products	Financial Services
Shipbuilding	Information Technology

Delegate Profile

Mr. Philippe Tollini joined LARSEN & TOUBRO on January 1st, 2012 as Director - Business Development (Europe & CIS countries) - dedicated to the Nuclear, O&G, Defence and Shipbuilding industries.

After completing his Master's Degree in Industrial Engineering in France in 1988, Mr. Tollini joined a reputed large engineering organization involved in EPC business dedicated to the steel industry, as mechanical engineer in their USA subsidiary before taking more important roles back in France in the sales of steel plants within the Asian region. He, later on, moved to the manufacturing business of nuclear main island equipment (forging and fabrication) inside the AREVA group, where he served in the capacity of Vice-President Sales and marketing.

Within AREVA, Mr. Tollini fine tuned his education by attending an Executive MBA training from the Harvard Business School in 2007.

Full Name of Person	Mr Pankaj Tibak
Company / Organization Name	Confederation of Indian Industry(CII)
Designation	Deputy Director & Head Vadodara Zonal Office
Address	
Contact Details	Pankaj.tibak@cii.in

Company Profile

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes. CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India's development process. Founded in 1895, India's premier business association has over 7200 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 100,000 enterprises from around 242 national and regional sectoral industry bodies. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few. The CII theme of 'Accelerating Growth, Creating Employment' for 2014-15 aims to strengthen a growth process that meets the aspirations of today's India. During the year, CII will specially focus on economic growth, education, skill development, manufacturing, investments, ease of doing business, export competitiveness, legal and regulatory architecture, labor law reforms and entrepreneurship as growth enablers. With 64 offices, including 9 Centres of Excellence, in India, and 7 overseas offices in Australia, China, Egypt, France, Singapore, UK, and USA, as well as institutional partnerships with 312 counterpart organizations in 106 countries, CII serves as a reference point for Indian industry and the international business community.
