B20 REGIONAL CONSULTATION FORUM

24 May 2018

Description: B20, the private sector's voice of the Group of Twenty (G20), works to develop consensus-based concrete policy proposals for the G20 leaders, seeking to develop global policies to address the most pressing challenges. B20 Regional Consultation Forum is a joint event of the Business20 Chair - the Group of Six (the leading Argentinian business associations, namely ADEBA, BCBA, CACS, CAMARCO, SRA and UIA), the Russian Union of Industrialists and Entrepreneurs (RSPP) and International Organisation of Employers (IOE).

The heads of major companies and business associations, senior representatives of the G20 governments and leaders of international organizations will discuss the B20 recommendations to the G20 leaders aimed to ensure that digital transformation is a driving force of global, innovative, inclusive and sustainable growth. Participants will reflect on new business models and public policies supporting change, promotion of digital infrastructure, digital literacy and skills, advancement of private-public cooperation for bridging technological divide in a socially sustainable and responsible way. The debate will contribute to the B20 policy recommendations, which will be finalized at the B20 summit in autumn in Buenos Aires, and presented to the G20 summit on the 30th of November – 1st of December 2018.
